PT PLN (PERSERO)

INVITATION TO REGISTER FOR THE SELECTED PROVIDER LIST (“DPT”)

POWER PLANT DEVELOPERS (“PPL”)

INDEPENDENT POWER PRODUCER (“IPP”)

SOLAR POWER PLANTS (“PLTS”)

WIND POWER PLANTS (“PLTB”)

BIOMASS POWER PLANTS (“PLTBio”)

1. PT PLN (Persero) intends to select prospective PPL (the “Participants”) for inclusion in the DPT for the development of IPP PLTS, PLTB, and/or PLTBio within the territory of the Republic of Indonesia.
2. PT PLN (Persero) hereby invites Participants interested in being included in the DPT for IPP PPL as follows:
 - a. **DPT PPL IPP PLTS**
Title : Daftar Penyedia Terseleksi (DPT)
Scope of Work : PPL IPP PLTS
DPT Publication Number : DPT-1103-20260312-00001
 - b. **DPT PPL IPP PLTB**
Title : Daftar Penyedia Terseleksi (DPT)
Scope of Work : PPL IPP PLTB
DPT Publication Number : DPT-1103-20260413-00001
 - c. **DPT PPL IPP PLTBio**
Title : Daftar Penyedia Terseleksi (DPT)
Scope of Work : PPL IPP PLTBio
DPT Publication Number : DPT-1103-20260413-00002
3. Participants must be established as a single business entity.
4. Registration will remain open on an ongoing basis. The evaluation and announcement processes will be conducted periodically, and the evaluation results will be communicated through each Participant’s E-Procurement (eProc) account.
5. Participants that do not yet have a Vendor Management System (VMS) account may register through the website <http://vms.pln.co.id/> and must obtain **Verified** provider status before registering for the DPT. Participants that do not yet have an eProc account may register through the New Registration (a VMS account may be used to log in to eProc). Participants that already have an eProc account may register using their existing E-Procurement user ID (existing eProc accounts will be integrated with the new VMS account).
6. To ensure that the DPT packages bearing the publication numbers above appear in the Participant’s eProc application, Participants must ensure that, under the **Administration** menu in VMS, they are registered under the following business-field classifications:
 - a. **PLTS**
 - (**Business Field:** Jasa, **Sub-Field:** Konstruksi, **Sub-Sub-Field:** Pembangkit Listrik (IPP) - Pembangkit Listrik Tenaga Surya (PLTS) > 10 MW.
 - (**Business Field:** Jasa, **Sub-Field:** Konstruksi, **Sub-Sub-Field:** Pembangkit Listrik (IPP) - Pembangkit Listrik Tenaga Surya (PLTS) ≤ 10 MW.
 - b. **PLTB**
 - (**Business Field:** Jasa, **Sub-Field:** Konstruksi, **Sub-Sub-Field:** Pembangkit Listrik (IPP) - Pembangkit Listrik Tenaga Bayu (PLTB) > 10 MW.
 - (**Business Field:** Jasa, **Sub-Field:** Konstruksi, **Sub-Sub-Field:** Pembangkit Listrik (IPP) - Pembangkit Listrik Tenaga Bayu (PLTB) ≤ 10 MW.
 - c. **PLTBio**
 - (**Business Field:** Jasa, **Sub-Field:** Konstruksi, **Sub-Sub-Field:** Pembangkit Listrik (IPP) - Pembangkit Listrik Tenaga Biomassa (PLTBm) > 10 MW.
 - (**Business Field:** Jasa, **Sub-Field:** Konstruksi, **Sub-Sub-Field:** Pembangkit Listrik (IPP) - Pembangkit Listrik Tenaga Biomassa (PLTBm) ≤ 10 MW.

- (**Business Field:** Jasa, **Sub-Field:** Konstruksi, **Sub-Sub-Field:** Pembangkit Listrik (IPP) - Pembangkit Listrik Biogas (PLTBg) ≤ 10 MW.
 - (**Business Field:** Jasa, **Sub-Field:** Konstruksi, **Sub-Sub-Field:** Pembangkit Listrik (IPP) - Pembangkit Listrik Tenaga Biogas (PLTBg) > 10 MW.
7. Participants that already have a VMS account and have obtained **Verified** provider status may register for the DPT through <http://eproc.pln.co.id/> and select the relevant package based on the DPT Publication Number specified above. Detailed administrative, financial, and technical requirements may be viewed and downloaded after the Participant selects the relevant package corresponding to the applicable DPT Publication Number.
 8. Participants must submit/upload all qualification application documents electronically in PDF format through <http://eproc.pln.co.id/>, in accordance with the relevant DPT number specified above.
 9. Guidelines/tutorials for VMS registration, VMS verification, and DPT registration may be downloaded from the following link: <https://tinyurl.com/panduanVMSDPT>.
 10. All correspondence relating to the above DPT process shall be conducted through the following email addresses: dpt.anekaenergi@gmail.com, manajemen.vendor@pln.co.id, or vms.korporat@pln.co.id, and via telephone number **+62 813-8243-7852** on business days from 08:00 to 16:00 Western Indonesian Time (WIB). PLN shall not be responsible for communications made through any email address or telephone number other than those specified above.
 11. PLN provides a VMS Corner at the Head Office of PT PLN (Persero), Jalan Trunojoyo Blok M – I No. 135, Kebayoran Baru, Jakarta 12160, 1st Floor, for Participants requiring assistance with VMS registration, VMS verification, and DPT registration. The VMS Corner operates on every business day from 09:00 to 16:00 Western Indonesian Time (WIB).
 12. No fees are charged for the VMS and DPT registration processes.
